To volunteer at any school event or trip, you must complete a background check with FCPS. Go to <https://webapps.fcps.net/volunteer/> to apply, update or check your status.

Have you ever thought about all the people and processes that work together to make a school a healthy, stable environment for learning? Teachers and administrators work tirelessly to provide students with a strong education, sense of discipline, and respect for knowledge. But schools function best when they belong to communities of interested, involved individuals and families. -www.GreatSchools.org (2011)
